

## Agreement of Gift Partnership Forensic Science Center – Crime Lab Project

(Please print and mail completed form)

I / we understand that Southern Nevada has a critical shortage in overall forensic evidence processing and analysis capability. I / we want to help make our communities safe now and for the future.

These tax deductible funds are to be used to help build a Forensic Science Center to include a Crime Scene Investigation Section, Forensic Laboratory and Evidence Vault. When sufficient additional funds are received, the project will be expanded to add an Educational Research Institute to the Center.

Although the facility will be located in Henderson, I / we understand that it will play a critical role in the overall safety and security of the entire Las Vegas Valley and Southern Nevada. The Center's resources will be used to assist other law enforcement agencies in Southern Nevada to every extent possible.
